3. Prohibition of Forced Labour

Employment at the Company is entered into voluntarily. The Company does not require employees to lodge identity documents, deposits, or payments as a condition of employment. Employees are free to terminate their employment with standard notice as set out in their employment contract, without penalty.

4. Wages and Compensation

All employees are paid at or above the applicable Punjab minimum wage for their category of work. Wages are paid monthly, in full, directly to the employee via bank transfer or in cash against signed acknowledgement, no later than the 7th working day of the following month. Payslips detailing base wage, overtime, and any deductions are issued to every employee each pay period.

Overtime is voluntary, compensated at 1.5x the base hourly rate, and should not exceed 2 hours per day under normal circumstances. Every employee is entitled to at least one full rest day within each 7-day period. Departmental supervisors are responsible for rostering rest days consistently and recording them accurately in attendance systems.

6. Freedom of Association

The Company respects the right of employees to associate freely, join or not join a workers' organisation of their choosing, and engage in collective bargaining in accordance with applicable law. No employee will face disciplinary action, dismissal, or discrimination for exercising these rights.

The Company maintains a safe working environment in accordance with occupational health and safety requirements applicable to industrial premises. This includes maintaining functional fire safety systems, providing appropriate personal protective equipment (PPE) for relevant tasks, keeping emergency exits unobstructed at all times, and conducting periodic safety training. Disciplinary action follows a documented progressive process: verbal warning, written warning, final written warning, and termination where warranted. Corporal punishment, verbal abuse, or any form of physical or psychological coercion is strictly prohibited and constitutes grounds for immediate termination of the responsible supervisor.

10. Grievance and Reporting Channels

Employees may raise concerns regarding any aspect of this policy through the Company's Internal Grievance Mechanism Policy (HR-POL-014). Line Supervisors and the HR Department are the primary points of contact for concerns related to wages, working hours, or workplace treatment.
